Formed in 1972, the Australian Ladies Professional Golf is a member based organisation that is the sanctioning body for women’s professional golf in Australia and New Zealand.

ALPG is an enthusiastic and passionate organisation which has a long and proud history of expanding and improving career opportunities for women professional golfers.

The ALPG Tour is recognised by the Rolex Women’s World Golf Rankings as one of the seven major women’s professional tours in the world

ALPG National Clinics

The ALPG National Clinics are aimed at providing golfers of all levels in Australia the opportunity to experience the expertise of ALPG Teaching Professionals.
